TPAH will gladly prepare a written estimate for any treatment plan your pet may need during their visit with us. This is important for you to read and sign as **ALL PROFESSIONAL FEES ARE DUE AT THE TIME SERVICES ARE RENDERED**. In the case of extensive medical or surgical procedures, we understand full payment may be difficult. In these cases, we also accept Visa, Master-Card, American Express, and Care Credit payments. Applied fees will be reimbursed by the pet insurance company to you, directly, if your pet is covered.

Please note there is a $25.00 service charge for any checks returned unpaid. We do not extend credit.

To prevent the spread of infectious diseases, all hospitalized and boarding animals must be current on their yearly exams, all vaccines or titer tests and be free from internal and external parasites. The signature below authorizes this level of care and the appropriate charges will be assessed in the discharge invoice.
